**DETAILED ACTION**

***Allowable Subject Matter***

1. Claims 1 – 16 and 23 are allowed.
2. The following is an examiner's statement of reasons for allowance: the prior art of record discloses the invention as described in the office action dated 02 NOV 04. However, the prior art of record neither discloses nor fairly teaches the combination including a gate assembly movable from a first closed position to a second open position, and a control unit arranged to actuate a drive mechanism for applying a tattoo and to further actuate movement of the gate assembly between the first and second positions.
3. This statement is not intended to necessarily state all the reasons for allowance or all the details why the claims are allowed and has not been written to specifically or impliedly state that all the reasons for allowance are set forth (MPEP 1302.14).

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
